Janey Vinup asked about where the new basketball lights were going to be installed. Deb Shumate explained it was decided, that instead of W. Carr St. getting a basketball light at every fixture, they would go in every other fixture and a different type of light would be purchased to put in the other spots. She also stated this would help to extend the area of the new lights.

As there was no further business to be conducted by the Town Council, Drew Olman made a motion to adjourn and Mark Marsee seconded that motion. The motion was put to a vote and the motion carried. The next regular meeting of the Town Council is scheduled to be held July 8, 2024, at 6:30 pm.
